

Gathering Space Rules and Terms

Our Gathering Space was designed to be of service to our amazing community! Whether it is reserved for a private gathering, or open to folks looking to get some work done, or meet with a friend. We have seen the space be utilized in many different ways and it is amazing to see. Below are a few important notes regarding general use of the gathering space. For more information please reach out to us at community@nubianmarkets.com.

4. Loud music is not allowed
5. Please refrain from moving tables and chairs
6. You will be notified at least 30 minutes in advance to any room reservation. At that time we ask that you please gather your things and exit the room to allow ample time for our staff to tidy and arrange the room for the arriving party.
